## “THE DOUBLE PORTION OUTPOURING (PART V)”

Yea, the stork in the heaven knows her appointed times; and the turtle and the crane and the swallow observe the time of their coming; but my people know not the judgment of the LORD. Jeremiah 8:7

The times just ahead of us are both wonderful and terrible. **A major outpouring is getting ready to take place very soon all over the world.** This will be the last outpouring and it will bring about a bountiful harvest of souls. This divine visitation will not occur as most people believe, but will take place in the throes of tremendous global upheaval. I am not sure as to the exact order in which it will happen; before, during or immediately after the difficult times ahead, but it will take place.

The Lord is very merciful and compassionate and will never allow adversity to overwhelm us without giving us the opportunity to prepare and get our house in order. **Right now the Lord is preparing this nation for His glory through much repentance and intercession,** which is the way all revivals commence. This will lead many to start living a life of the Spirit, wherein a pure and holy visitation from the Lord will be ushered in.

There is a church within a church rising up in the midst of a corrupt, contaminated and worldly religious system that is about to be manifested for all to see. **Many will be taken down from their positions of authority because their authority was not from the Lord.** Those who are righteous and have His heart will now be promoted to take seats of authority in His Kingdom. These are the company of overcomers who have been prepared and made ready for

such a time as this. They will be wise beyond understanding; they know the Lord and walk with Him everyday.

**These reigning sons of God have been purged by fire, tested and have been found faithful.** They do not do things out of whim, fear or human reasoning, but are moved by the Holy Spirit. The rod of government and kingdom authority resides with them. They move in awesome signs and wonders, and carry a sword in their mouths that divide soul and spirit, real from fake, truth from error bringing healing, judgment, salvation and unity.

They will prepare the bride of the Lamb with battle strategy, and equip her with power from on high to become a mighty warrior anointed for battle. These anointed golden vessels will be given counsel for spiritual warfare from behind the veil about what must be diligently taught to His people, and will proclaim the oracles of God to the Church and to the world. **Those who heed their counsel will find much safety in the treacherous times ahead.**

The devil and the kingdom of darkness fear their coming so much that they are trying every way possible to stop or destroy them before they are birthed, and their ministries reach full potential. The Lord has shown me that this glorious outpouring of His glory will not take place in America without deep intercessory prayer by His Church. This is an awesome privilege and a tremendous responsibility.

May the Lord grant His people the wisdom and the understanding to grasp the seriousness of the hour and do that which He has commissioned us to do. Shalom my friends.

# Ministry Report

**I f my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and heal their land. 2 Chronicles 7:14**

What a blessed time to be alive right now and at the same time extremely dangerous. We are on the eve of one of the greatest outpourings of God's glory that this planet has ever seen. Many men of God have prophesied about it in times past, but never got to see it. Many of us alive today will have the privilege and great honor to be a part of it.

Our hearts long and desire for this, and our nation desperately needs it. **But no church programs or politics will be able to heal our land. The sins are too dark, the wounds too deep, and the scars too ugly.** Only the repentance and intercessory prayers of His people will be able to bring this about. May God awaken His people to hear His Heart's cry.

In these last three months we were busy in the work of the Lord for the most part. In the month of July we were with Mick and Jennie in the Annual Youth Camp Meeting in the city of Madison, FL. We ministered in both services that day and the Spirit of the Lord moved as strong as I have ever seen it there. Many of them were healed and filled with the Holy Spirit as Jesus took over the services. They were so hungry for His presence that the Lord rewarded them and **many got literally drunk with His New Wine.** Mickey has done a great job of teaching them to become *ministers (servants)*.

In September we were with our long time friends Billy and Sandra Newell in the new work they started in Anniston, AL. The Lord moved in a great way in all our services. The church is growing, and as always when Billy ministered in music and worship, the Spirit of God moved in the prophetic as we prophesied and spoke the Rhema words of God to His church. God is raising a church there on a solid foundation.

Later in the month we went to be with our longtime dear friends Wayne and Lois at the Book of Acts Tabernacle in Ohio. We had a great service where we shared about what the Holy Spirit is saying to the Church, and afterwards ministered to the people as **the presence of God filled the house.** The following day Wayne and Lois were leaving on a trip to New Mexico to meet with representatives of the Navajo Nation, so we commissioned and anointed them for the work to be done there. It was beautiful.

Then we went to be with my friend and buddy Billy Price at Abundant Life. We ministered in the streets of Cincinnati on Saturday morning, giving out food and clothing while several of the people shared their testimony with the bystanders and prayed for them.

On Sunday morning we shared a word from God for that house, and many were touched by the power of God, others healed and set free as Jesus moved among us confirming the word with signs following. On Monday night we had the first Home Cell meeting for Abundant Life and it was a great success.

Later that month we went to be with our dear friends the Rutzen's in Idaho. We were there for two services as the Spirit of the Lord moved strongly in miracles, signs and wonders. I am not able to mention here all the wonderful things that the Lord did, but there is one that sticks out in my mind. There was this young Latino man who was not able to walk without pain in his hips and legs because of an accident. When I prayed for him the power of God hit him and he went down. When he got back up after a while, he was able to walk all over the church without any pain. **I do not believe he had ever experienced the power of God in his life.**

On Sunday morning we were with Pastors Larry and Sharon Kinley in Emmet. We shared the word, ministered and prophesied to God's people under the unction of the Holy Spirit. The Lord confirmed His word as always, and many were truly touched and blessed by the Lord. After the service we went out to eat and had a great time of fellowship.

That same night we ministered in New Jerusalem pastored by Moises Mendez. That night the Lord miraculously healed a man who had cancer in his stomach and **had been told by a doctor that he had months to live.** He came to the service with intense pain all over his abdomen, unable to raise his arms or walk under his own power. When we prayed for him, the power of God hit him and he went down. When he finally got up after a long time shaking on the floor, he had no pain and was able to raise his arms for the first time in a long while as he walked around by himself.

Finally we went to Idaho Falls to be with our friends the Glasers. We conducted an Intercessory Prayer Seminar on Saturday Morning which was very well attended. The power of God was present to heal in all three services, with several healings taking place. **However, the Lord reserved the best for last.** On Monday night there was an outpouring of the Holy Spirit among the adults and the youth. Many were baptized in the Holy Spirit and spoke in tongues and prophesied. Even the children were crying and shaking under the power of God. Two Mormon missionaries came in the church to get warm from the cold, and asked someone if every service was like that. **It was glorious!**

Well friends, remember us in your prayers. We love you. Shalom!
