**"DISCERN THE TIMES"**

**SPECIAL REPORT**

**H**e answered and said unto them: When it is evening you say, It will be fair weather: for the sky is red. And in the morning, it will be foul weather today: for the sky is red and overcast. O you hypocrites, you can discern the appearance of the sky; but can you not discern the signs of the times? Matthew 16:2-3

*A few days ago, we returned from a Watchmen's Conference that was hosted by Rick Wiles from TruNews in Florida.* This is something that I had been praying for some time, and finally it took place. *I guess the axiom: 'better late than never' applies here.* The Watchmen came from all over the country and Canada as we were involved in three days of deep discussions concerning the current state of affairs of the nation and the world in general.

We all shared what the Lord had shown each of us concerning a number of topics, mostly dealing with the area of geopolitics. There was a spirit of unity and love among all of us that were there, as we spent time getting to know each other. As can be expected when a group of strong willed men gets together, we did not agree on everything. *However, one thing we reached a consensus on was the lateness of the hour, and that after the November elections things will become real dicey for those living in this country.*

We are entering a time never before seen in this country and in the whole world. We are on the threshold of the greatest time in the history of the Church as well as some of the most difficult times since the world began. *The people of God need to enter into this time with their eyes open, realizing that there are things about to take place on a level that mankind has never seen or experienced.* It behooves us to get as close the Father as we have ever been, for the times ahead will require His grace, guidance, strength and protection.

Nations that are not of the Father will not be able to survive what is about to happen. *Many nations will cease to exist, while others will be changed forever. Everyone that is not rooted in the Lord will perish in the coming cataclysms, holocausts, famines and pestilences.* As America continues to be dismantled, weakened and destroyed from within, it will eventually collapse under the weight of its own corruption, decadence and apathy.

Like the Roman Empire before it, America will then be attacked, invaded and conquered by merciless foreign troops who will seize the opportunity to plunder, vandalize and rape the country of most of its

natural resources and beauty. *Most of the people in this once great nation will say: "How could this happen" not realizing that the handwriting was clearly on the wall for all to see.* If only the people would have paid more attention to the signs right in front of their eyes, and listened to the words of the few out there who were trying to warn them; instead of watching programs like American Idol and being consumed with celebrities and the world of sports.

*Once America is sacrificed upon the altar of the NWO, it will be brought under an oppressive totalitarian police state along with most of the world nations.* The laws for this beast system have been written over the course of many administrations in the last fifty years, both here in this nation as well as abroad. Things are about to drastically change for everyone on this nation, and for the whole world in general. Many of these things will happen so fast that none will see it coming; only a few that paid attention and prepared.

*Those of us that tried to warn others will surely pay a steep, deadly price. No quarter will be given to such. There will be only a few places (if any) where to hide. The only real safe place will be under the Shadow of the Almighty.* Beloved, these things I say unto you so that when I lie in bed at night, I can be peaceful and calm knowing that I have blown the trumpet loud, sounded the alarm and my hands are clean from the blood of those that will die.

*Make no mistake about it lambs of God; the times just ahead of us are going to be some of the most horrifying times we have ever experienced in our lives.* It causes me much pain to have knowledge of these things; it is a heavy burden to know it and have to live with it continually, unable to share it with anyone. As it is written in the book of Ecclesiastes 1:18: *"For in much wisdom is much grief: and he that increases knowledge increases sorrow."*

*We of all people, have an anchor and a blessed hope; our wonderful Savior and King Yahushua, the Lion of the Tribe of Judah.* We of all people have the ability to overcome circumstances, fiery trials and come out victorious. In all these things we are more than conquerors through Jesus Christ who loved us. I leave you with my favorite scripture, Romans 8:38-39: *"For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creation, shall be able to separate us from the love of God, which is in Christ Jesus our Lord."*
