## GROWING IN FAITH #3

**Luke 17:5-6** *“And the apostles said to the Lord: Increase our faith. And the Lord said: if you had faith as a grain of mustard seed, you could say unto this sycamore tree, be plucked up by the root and planted in the sea and it would obey you.”*

Most Christians today believe that they are short on faith. The reason for this is that they actually believe that they will fail. Most people have an incredible amount of faith to believe that things will go wrong again in their lives. ***There is a tremendous amount of power that is released when you believe something in your heart and then confess with your mouth.***

**Proverbs 18:21** *“Death and life are in the power of the tongue; those who love it will eat its fruit.”*

Faith is a force that people can use for either positive or negative results. One thing is to deny the obvious; that is called foolishness. However, ***how you respond to a situation and utilize your faith will determine how God will move in your circumstances and what will happen.*** Faith is the ability that a person has to believe for something to take place which under normal and natural circumstances is not possible.

***What would happen if instead of being fearful and expecting the worst to happen, you would begin to believe God instead and expect something positive to take place. Trust in God is a choice.*** The Book of Psalms has many examples of how David always found a way to praise and worship God in the midst of his trials

and tests even when all his enemies were conspiring against him and trying to kill him.

**Psalms 3:2-3** *“Many there are who say of my soul, “There is no help for him in God.” Selah. But you, Yahweh, are a shield around me, my glory and the one who lifts up my head.”*

You need to begin to have more faith in God’s ability to change circumstances in your life than you do in your ability to mess your own life up. ***Whenever you put your faith in our Heavenly Father, you can’t go wrong. As you place your faith in the Lord, you will then begin to see things happen in your life that will cause you to worship Him even as David did.***

Any time you pray for something and it is delayed, it’s usually because of disobedience. Whenever you exercise your faith and believe God for something, you need to understand that only He knows what is really going on behind the scenes. ***Once faith has been exercised in prayer, you must wait for the manifestation even though it may tarry, as the Lord is working all things together to accomplish His plans on the earth.***

We do our part., and then we let Him do His part. We do the little things like pray and obey and He does the big supernatural miracles. ***Words are created forces that speak into existence things which have never existed before. Faith, prayer and prophetic spoken words are all powerful forces at your disposal that you need to learn how to use as we enter the end of times.***
