## GROWING IN FAITH #7

**Isaiah 55:9-11** “For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and returns not there, but waters the earth, and makes it bring forth and bud, that it may give seed to the sower and bread to the eater: So shall my word be that goes forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing for which I sent it.”

In the last lesson, we talked about the power there is when the word of God is spoken in faith, without doubting in your heart. **If we learn to do this accurately, we will become like a skilled marksman who never misses his target.** You will see answers to prayer like you have never seen before. As you apply these principles they will always work, because they are based on God’s Word.

These are powerful divine principles. **Everything in the universe works by divine principles, and these divine principles operate according to His Word.** The Father will never work contrary to His Word, and He has revealed Himself to us in His Word by His Spirit. He has shown to us how He works in accordance with what He has taught in His Word, and revealed by His Spirit.

We need to be able to grasp these principles. If we have not been successful in applying them, **we need to take a fresh look at ourselves and our own hearts to see what thoughts are going through our mind.** I will guarantee

you that the reason is that we have allowed certain things to creep into our mind that are contrary to these divine principles rendering them ineffective.

**The enemy has planted them there in order to steal your faith and rob you of the provision and all the blessings that the Father has prepared for you.** One of the hindrances that the enemy often plants in your heart to neutralize the power of God is unbelief. Unbelief is often masqueraded as *common sense* and *caution*, usually looking upon signs and wonders as being very dangerous, and causing confusion and disorder.

Some even have called it *false, charismatic, New Age* and demonic. Although at times in the past, **there have been abuses in ministering in the gifts of the Holy Spirit due to carnality, ignorance, lack of training on the part of those ministering, and lack of knowledge on the part of the pastors,** those guilty soon enough found themselves coming up short when God refused to continue to confirm their ministries.

Just because many people have been exposed to something false, does not mean that the real doesn’t exist. For a false dollar bill to exist there must be a real one. **We must leave the comfort zone, and allow the Holy Spirit to lead us into the supernatural realm.** There is much to be done, very little time to do it and very few who believe that God is able to use them in the end time revival and the harvest of souls.
