

and you shall number seven Sabbaths of years unto you, seven times seven years; and the space of the seven Sabbaths of years shall be unto you forty and nine years. Then shall you cause the trumpet of the jubilee to sound on the tenth day of the seventh month, on the Day of Atonement shall you make the trumpet sound throughout all your land. And you shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof: it shall be a jubilee unto you; and you shall return every man unto his possession, and you shall return every man unto his family. Leviticus 25:8-10

When God created the Earth, He established a Divine principle whereby He worked for six days, and then rested on the seventh. Since that time, this is the same pattern that God gave the Israelites of six days of work, followed by a day of rest. The Almighty then applied the same principle to their planting and harvest seasons, except that it was in terms of years instead of days.

The Israelites were instructed to plant and harvest the land for six years, then **on the seventh year the land was to rest. The seventh year was called a Sabbatical or Shemittah.** The LORD then applied the same principle to a period of time that included seven Sabbatical cycles that ended on the forty ninth year and was then followed by a very special time that is known as the Jubilee year.

When the trumpet sounded on the fiftieth year on the Day of Atonement, **liberty was proclaimed throughout the land, all debts were cancelled; the land rested and all of the property that had been taken by others for unpaid debts had to be returned to the original owners.** This time brought restoration to the people and to the land. The land was to rest for that whole year.

The Israelites had to rely on the food that they had produced during the previous six years, for the next three years. **The first ever Jubilee took place in the year 1367 BC; 49 years after the Israelites entered into the land of Canaan in 1416 BC.**

This initiated what is known as the Jubilee clock, which will end when the people of the Most High enter into their heavenly Canaan land.

From that first one forward, a Jubilee year has taken place every 49 yrs. **On the Yom Kippur 2015, we started the 70th Jubilee since the Israelites entered into the Promised Land;** number 70 symbolize completion in Bible numerics. The LORD seems to always keep time in terms of seven-year Sabbatical cycles and fifty-year Jubilee cycles. One of the best known Bible prophecies is contained in the book of Daniel.

It came through Gabriel in response to Daniel's prayer, **and is commonly known as the 70th Week of Daniel.**

Daniel 9:23-24 **"At the beginning of your supplications the commandment came forth, and I have come to show you; for you are greatly beloved: therefore understand the matter, and consider the vision.**

Seventy weeks are determined upon your people and upon your holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy."

This prophecy was given using the seven-year Sabbatical cycles. It deals with God's plan to deliver His people from sin and wickedness, and to bring in everlasting righteousness. This was fulfilled during the first coming of Messiah. However, it may also contain a dual prophecy given in fifty-year Jubilee cycles dealing with the second coming of Jesus Christ which will usher in everlasting righteousness.

The Day of Atonement is symbolic of the atoning of sin for the nation of Israel, and was literally fulfilled by the sacrifice of Jesus on the Cross of Calvary. **We were released from a debt of sin that we owed and could have never paid.**

Romans 6:17-18 **"But God be thanked, that you were the servants of sin, but you have obeyed from the heart that form of doctrine which was delivered you. Being then made free from sin, you became the servants of righteousness."**

Jesus began His earthly ministry on the Day of Atonement (which begins the Jubilee) with a quote about the Jubilee from **Luke 4:16-21**. *On the Day of Atonement 2015, we started the 40th Jubilee since the death of Christ; the number 40 symbolizes judgment in biblical numerics.* We also know from scripture that a day with the LORD is as a thousand years and a thousand years as a day.

2 Peter 3:7-9 *“But the heavens that now are, and the earth, by the same word have been stored up for fire, being reserved against the day of judgment and destruction of ungodly men. But don’t forget this one thing, beloved, that one day is with the Lord as a thousand years, and a thousand years as one day. The Lord is not slow concerning his promise, as some count slowness; but is patient with us, not wishing that any should perish, but that all should come to repentance.”*

If this principle were to be applied to the pattern mentioned before, using a Sabbatical cycle of one thousand years to equal one day, we would come up with 6,000 years (6 days) of work and one thousand years (1 day) of rest; the time when Earth will return to its rightful owner and bring rest to its inhabitants for one thousand years. *This time is referred to in Scripture as the 7th Day; or “THE DAY OF THE LORD”.*

Genesis 2:2 *“And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.”*

Joel 2:1 *“Blow the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the Day of the LORD comes, for it is near at hand.”*

As if what we have already shared above is not enough to let us know that *something of great importance is about ready to take place*, we just had four blood moon tetrads that took place in 2014 and 2015, with the last one taking place on the Feast of Tabernacles five days after Yom Kippur, marking the beginning of the Jubilee year. It is also interesting to note that there won't be another blood red moon tetrad until 2032/2033.

Although there were many predictions of doom and gloom for this time period that never did materialize we should be careful to not so easily dismiss these signs as mumbo jumbo. *When Jesus Christ was here on the earth, He rebuked His disciples for not being able to discern the signs in the sky.*

Luke 12:54-56 *“And He said also to the people: When you see a cloud rise out of the west, immediately you say, There comes a shower; and so it is. And when you see the south wind blow, you say, there will be heat; and it comes to pass. You hypocrites, you can discern the appearance of the sky and of the earth; but how is it that you do not discern this time?”*

I have been shown through visions, dreams and through God's audible voice that *the Great Day of the LORD is close.* Based on all the signs that are taking place in the heavens and on the earth, it would seem like a prudent thing for all believers in Christ to take time to get their house in order and prepare. It behooves us to *take the time now to examine ourselves in the beginning of this New Year 2016* to make the necessary adjustments to bring our lives into alignment.

Our Heavenly Father has stated numerous times that no harm will come to those who belong to Him and are living in obedience to Him. I have been recently shown by the LORD that *there is going to be a divine release from Heaven that will impact those who have made themselves ready.* There is going to be a divine holy impartation that will come upon His chosen holy vessels that is going to cause them to speak like Jesus Christ, and enable them to act like Him.

These divine impartations will be released at the appointed time, and supernatural gifts will be activated in many of His children during that time. *However, those who refuse to die to self and their worldly ways, will not be able to receive this divine release that is coming during this Jubilee year;* a Jubilee anointing poured upon His Bride so that she will be able to stand on the evil day that is coming upon us.

The spirit of antichrist, darkness and confusion is being loosed in the whole world. It is being sent to confuse the children of the Most High. The greatest time in the history of the Church, along with the greatest darkness this world has ever seen lie just ahead. *However, the LORD is about to give His hidden End Time Warriors excellent weapons of warfare locked away for such a time as this.*

Not everyone who thinks they are ready, are ready. *Many, who call themselves Christians, are not walking in Love, Compassion, Righteousness, Purity, Holiness, Humility, Brokenness, and Integrity;* these things are considered very important by the LORD in order to be able function in His Kingdom. Many want to be used by Him, but yet do not have the necessary commitment or discipline to make the cut.

The sand is almost gone from the Hourglass. May our Heavenly Father grant us mercy and grace in the New Year 2016, as we prepare for what could perhaps be the greatest moment of our lives; Shalom.
