

Jo every thing there is a season, and a time to every purpose under the heaven: A time to tear, and a time to sew; a time to keep silence, and a time to speak; A time to love, and a time to hate; a time of war, and a time of peace. He has made every thing beautiful in its time: also he has put eternity in men's hearts, so that no man can find out the work that God does from the beginning to the end. Ecclesiastes 3:1, 7-8, 11

In the last several weeks I have felt as if I am in a cocoon, as so many things are taking place around me. I have felt anything like this before. The closest thing was back in 1992 when I saw Jesus in a vision of the night, and He gave me a direct commission that I was asked to obey. He reminded me again at the beginning of this year what He had told me at the beginning of 2021 regarding this quiet season in which I find myself in at this time.

I am not a liberty to share any more at this time, however in the last several days, I have received very important revelation, as well as additional information related to a very unusual experience that I had in the year 2019. Back then, I had no clue as to what it meant. All I knew was that it is a very important date related to an upcoming event that is marked in heaven's calendar. I will share some of those things on this newsletter.

In the middle of the night back on [July 4th, 2019 I had vision](#) while I was asleep. I had been praying for several weeks asking the Almighty to reveal to me what He wanted me to know regarding events that were getting ready to take place in the future in this nation and the world so that we could prepare. It was not a dream; it was a vision from God within a dream. It is what is called both in the book of Job and the book of Daniel 'A Vision of the Night'.

Job 33:14-17 *For God speaks once, yea twice, yet man perceives it not. In a dream, in a vision of the night, when deep sleep falls upon men, in slumbering upon the bed; then he opens the ears of men, and seals their instruction, that he may turn man from his purpose, and hide pride from man.*

I saw what appeared to be a huge blackboard appear before me, and I was shown two numbers. *The first number that I saw, I knew in my spirit that it was a date.* The second one I felt that it was a scripture that was being shown to me, although later on I found out that it also represents the same date written in a different way. I saw both numbers in digital form appear in the darkness, as if it were a large blackboard shown to me. The first number I saw was:

2.22

As I watched this number, I knew in my spirit that it was a very important date that was being shown to me. Then as I was watching, the number grew dim until it completely disappeared and another number began to slowly appear in its place. The second number that I saw was:

22.2

As I continued to watch, I knew in my spirit that the second number that I was looking at was a scripture that was being shown to me. I learned since then that it also represents the same date written in a different way. As I was awakened from this vision of the night I got up and wrote down this experience which I knew was a message from God. As I prayed and meditated on this experience, I knew in my spirit that the first number was a date referring to February of this year 2022.

Gen 1:14 *"And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years."*

Back then, I didn't think it referred to a specific day in February 2022. I only knew that *this was a marker for a very significant event that has been set in heaven to occur on that date which will affect this nation and the world.* In the past few days, I have come to believe that the date may have to do with the current situation taking place right now between Russia, NATO and Ukraine, as there is a threat of WW3 starting there.

Acts 2:19 *"And I will show wonders in heaven above, and signs in the earth beneath; blood, fire, and vapor of smoke."*

Last year Russian Vladimir Zhirinovsky an elected member of the State Duma, took to the floor of the state Duma and [publicly predicted](#) a possible outbreak of hostilities in February 22, 2022. There is a video where Zhirinovsky declared that hostilities could begin on February 22, 2022. However, at that time when he made the prediction, the politician did not specify who would become a participant in a possible war.

Additionally, some incredible information has been sent to me in the last couple of days by one of our precious intercessors who lives overseas. I have since then, done some additional research and much prayer on the matter. There is a connection between signs in the heavens, planets and what happens on earth.

Psalms 19:1 *The heavens declare the glory of God; and the firmament shows his handiwork.*

According to information that just came out in the last couple of days, the planet [Pluto returns over America on 2.22.22](#) as it was 248 years ago on July 4th, 1776, the very day the United States was founded. This is very interesting to say the least, as on the very day that this nation celebrates its independence, is exactly the day when the Most High decided to give this incredible vision to someone like me. I am deeply humbled.

"7/4/2019 IS WHEN 'I AM' GAVE ME THE 2.22 VISION"

Some people might think that this is just pure coincidence. Me thinks otherwise. There are no coincidences with the Great I AM. I have learned in own life experience, that everything that happens on this world happens for a reason. *The bad evil things that take place is because there was no one to stop the evil men from doing them.* After doing some research on this subject, I am totally persuaded that this date is a significant marker in heaven, concerning the destiny of this nation, and the whole world.

Historically, whenever this planetary shift has taken place, it has [brought down empires](#) and great changes to various countries. According to astronomers who study these things, Pluto returns take 247 odd years to occur.

Psalms 19:1 *The heavens declare the glory of God; and the firmament shows his handiwork.*

We do not believe in astrological horoscopes, but we do believe in astronomy and the fact that the Great Creator, I AM created all things, and put all of those stars and constellations in the heavens for a sign to those who would pay attention to these things. *The sons of Issachar are mentioned in the Bible as men who had understanding of times and seasons.* According to the Targum, they were highly skilled in the understanding of astronomy, constellations, signs and stars.

The heavens declare the glory of God, says the Psalmist. According to Dr. James Kennedy author of the book "The Gospel in the Stars", there exists in the writings of virtually all civilized nations of the world a description of the major stars in the heavens; something which might be called the "constellations of the zodiac" or the "signs of the zodiac," of which there are 12. The real meaning of the Zodiac is to reveal God's plan of salvation. The stars point to the Creator.

1 Chron. 12:32 *And of the children of Issachar, who were men that had understanding of the times, to know what Israel ought to do; the heads of them were two hundred; and all their brethren were under their command.*

it's interesting that during a time when America is going through so much turmoil, and so many have talked about "civil war," *we're now facing a planetary lineup that hasn't happened since 1776.* The date of February 22, 1732 also happens to be George Washington's birthday. He was the one that led this nation through the war of independence, and later became the first president of the United States.

George Washington was also given a [vision and prophecy concerning the destiny of the America](#). When you add this new revelation to all the things that have been happening in the last several days like the strange portal like formations over the White House being recorded by people; connected to rumors of the dark side trying to open a portal on 2/22/2022 over the White House; as well as 2.22 number appearing in bizarre places; you just can't make this kind of stuff up.

The *children of darkness* and of this world *are wiser than the children of light*. Our Messiah and Savior Jesus Christ said so himself in the Bible. The seed of the evil one are very adept at interpreting these heavenly signs, and preparing in advance to take advantage of these events by positioning themselves and acting accordingly. Christians today because they are taught about these things, tend to dismiss or ignore it, and thus are usually more reactive than proactive.

Luke 16:8 *...for the children of this world are in their generation wiser than the children of light.*

Recently I was given a vivid night vision of the approaching planet-comet Nibiru as it came very close to planet Earth. I had never seen it this close before, since the Almighty began to first show me this celestial body in visions of the night back in 2012. This vision which is [linked here](#). Shalom my friends ~

Jude 1:24-25 *Now unto him who is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, To the only wise God our Savior, be glory and majesty, dominion and power, both now and forever. Amen.*
