"THIS IS THE MOMENT"

November 2022

Even the birds in the sky know the right time to do things. The storks, doves, swifts, and thrushes know when it is time to fly to a new home. But my people don't know what the LORD wants them to do. *Jeremiah 8:7*

A lot has happened since our last newsletter at the beginning of this year. The world is now inching closer to [a nuclear war with not just Russia, but also with China](#) and possibly Iran and N. Korea. The last time we were this close to a nuclear confrontation with Russia was during the 1962 Cuban Missile Crisis. This began on [2.22.22 when Russia invaded Ukraine](#), which was quickly followed by the [U.S. imposing sanctions on Russia](#).

I shared the [7/4/2019 vision of the night](#) that the LORD gave me back then in great detail [our last newsletter](#) earlier this year. This would be a good time to go back and read that newsletter again for it explains many things that are getting ready to take place on this nation and the whole world in the coming months and years. Many of the visions of the night that God has shown me over the years are getting ready to take place during this season.

We have shared many times during our radio programs that the Most High has set a heavenly calendar, periods of time that are governed by celestial bodies. We have also shared how [He likes to involve man in the outcome of events on this planet](#), through the vehicle of spiritual warfare, prophetic decrees and actions as man shares in bringing about His Divine will on this earth, which is our responsibility as the children of the Most High.

We are [now entering a special kairos season where everything is moving extremely fast, both in the spirit and natural realm](#). In the times when the Messiah came to earth, the scribes, Pharisees and Sadducees understood the chronos of time, but not the kairos moment of the times that they were in. If they had, they certainly would not have missed the signs that were taking place signaling the arrival of the Messiah to the nation of Israel.

These kairos moments are special times in our lives when we should be able to recognize the hand of God moving in us and

around us, and we should ask ourselves what He is saying to us and how we should respond. Whenever this happens, they are defining moments in our lives. *That Kairos moment is the portal that will catapult us into the supernatural realm through a simple act of obedience.* This has been accomplished in times past, as it will be accomplished in us at this time.

Matthew 16:1-4 *The Pharisees also with the Sadducees came, and testing him desired that he would show them a sign from heaven. He answered and said unto them, When it is evening, you say, It will be fair weather: for the sky is red. And in the morning, It will be foul weather today: for the sky is red and overcast.*

O you hypocrites, you can discern the appearance of the sky; but can you not discern the signs of the times? A wicked and adulterous generation seeks after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonah. And he left them, and departed.

America's founding fathers knew who they were fighting and that the odds were against them. However, they also knew that the Almighty God that they believed in had put them on earth for such a time. *There was a grace upon them to do something special at that time in their lives and they knew it.* They had a responsibility to obey the heavenly call and respond correctly to that kairos moment that they were living.

it's interesting that during this time when America is going through so much turmoil, and many have talked about a "civil war," [we're now facing a planetary lineup that hasn't happened since 1776](#). It's also interesting that 2.22 also happen to be George Washington's birthday. He was the one that led this nation through the war of independence, and later became the first president of the United States.

George Washington was also given a [vision and prophecy concerning the destiny of the America](#). When you add this to things that have been happening like the strange portal like formations over the White House, as well as the 2.22 number appearing in bizarre places; you just can't make this kind of stuff up. The *children of darkness* and of this world *are wiser than the children of light*. Jesus Christ said so himself in the Bible.

The seed of the evil one are adept at interpreting these heavenly signs and preparing in advance to take advantage of these events by positioning themselves and acting accordingly. Christians tend to dismiss or ignore it, and thus are usually more reactive than proactive. The consequences for not being able to discern, take advantage and respond correctly to a kairos moment could at best become a missed opportunity, and at worst result in tragedy.

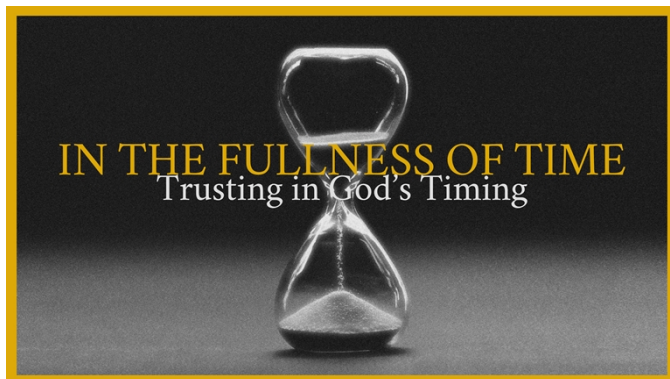

Luke 16:8 *...for the children of this world are in their generation wiser than the children of light.*

These things can happen on a personal level, or on a national level. Israel was not able to recognize their kairos time of visitation and fell into bondage to Rome. They eventually lost their country for two thousand years. I shared much about this in great detail on our teaching series [Daniel Unsealed](#). Sometimes the LORD, who is longsuffering, grants multiple opportunities to people to get things right through the process of prayer and repentance.

Jesus knew his Kairos time had arrived (Mathew 26:45). Esther recognized her kairos time moment (Esther 4:14). In the bible we read about many of these kairos moments throughout history. Expressions are used like: *'When the time had come'*, *'When the time was fulfilled'*, *'At the appointed time'*, *'In the fullness of times'* among others. *This refers to a kairos moment, a season in time when an important event that has been predetermined in Heaven, gets ready to take place on the earth.*

Recently in one of our radio shows, I talked about how *God had impressed me with the importance of living the moment, because we just don't know how much time we have left to do the things that are really important; things that we need to do.* Well that same night as I was getting ready to retire, I spent a few minutes watching the weather channel for updates on a storm that was approaching Florida. Then a commercial came up and this is what appeared on the TV screen:

THIS IS THE TIME

Immediately I knew in my spirit that it was a message from the LORD for me. It was a confirmation to me about what I had been feeling in my spirit for days. *It's not first time that the Almighty talks to me in this manner using unusual objects, in an unusual unorthodox style.* It happened back in 1/4/2007. I was about to turn in after watching the news and weather on TV when I heard

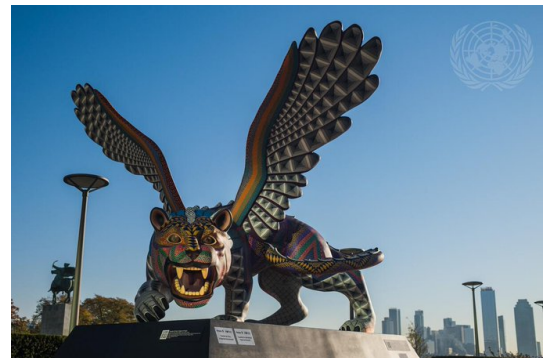

a voice that was coming through the speaker. This is what the voice said clearly:

DO YOU KNOW WHAT TIME IT IS?

IT IS 12:20 AM

As I turned the TV off, I looked at the digital clock on the table and it said 12:20 am. Knowing how the Lord talks to me, I knew right away that He was trying to tell me something very important. [I was directed to Ezequiel chapter 12 verse 20](#) and I what I read made the hairs in the back of my neck stand on end. The rest of the chapter is interesting as well. [I didn't want to accept what God was saying to me](#); but I knew in my spirit that this was a message He wanted to tell His people.

Ezekiel 12:19-20 *Say unto the people of the land, Thus says the Lord GOD of the inhabitants of Jerusalem, and of the land of Israel; They shall eat their bread with anxiety, and drink their water with dismay, that their land may be emptied from all who are in it, because of the violence of all them that dwell in it. And the cities that are inhabited shall be laid waste, and the land shall be desolate; you shall know that I am the LORD.*

God warned me back then of what was coming, however there was some praying and repentance from His people for the next several years and He relented; judgment was postponed. Now here we are at the end of 2022. In December of 2021 The [UN placed a giant statue in New York](#) that seems to resemble an end-times beast that is mentioned in the Bible's book of Daniel and also the book of Revelation, donated by the government of Oaxaca, Mexico.

Daniel 7:7 *After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.*

Revelation 13:2 *And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.*

This statue of a ferocious beast placed in the visitor's plaza at the UN headquarters in New York City is called 'The Guardian of International Peace and Security.' Is this the beast that is going to protect the peace during the [great global reset?](#) Seems to be a warning to all that either you accept the [NWQ demands coming from the UN](#), or [you will be eaten by their beast.](#)

May you our Heavenly Father grant us the wisdom to accept this message and the grace to endure [the final test.](#)
Shalom my friends.
